Boilermakers Local Union No. 13
2300 New Falls Road
Newportville, PA 19056

Dear Mr. Tallick,

I am writing on behalf of the National Maintenance Agreements Policy Committee, Inc. to inform you that Boilermakers Local Union No. 13 has earned an **NMAPC Zero Injury Safety Award for 2009**. You are to be commended for your exceptional safety record.

The NMAPC Zero Injury Safety Awards program was designed to recognize world-class safety, as it is an integral component of the NMAPC system of tripartite governance and cooperation between our signatory contractors, customers and building trades craft workers, who share equally in the responsibility for workplace safety. In keeping with this practice, the contractor who submitted for the award, in this case Minnotte Contracting Corp., and the owner, in this case PPL Corporation, will also receive an award for achieving world-class safety on this project.

The following, is the information submitted by Minnotte Contracting Corp. for the recognized project. **Please review this information carefully, as it will appear on the award that is distributed to each party, as well as ZISA Gala materials.** Please notify Wayne Creasap immediately at wcreasap@tauc.org if any changes need to be made.

Contractor:	Minnotte Contracting Corp.
Owner:	PPL Corporation
Labor Organization:	Boilermakers Local Union No. 13
Project Name:	Spring Outage Unit #3 and Fall Outage Unit #2
Plant:	Brunner Island Station, York Haven, PA
Hours Worked:	322,544

We invite you to join us at the annual NMAPC Zero Injury Safety Awards Gala on **Thursday, October 28, 2010**. All three parties being recognized for this accomplishment are invited and encouraged to attend. The prestigious event will be held at the **National Building Museum in Washington, D.C.** Registration is required, and should be completed by visiting www.NMAPC.org. Attached for your consideration is this year's sponsorship kit highlighting the different options and the exposure that you can expect in return for supporting this world class safety program.

Again, congratulations on a job well done! We hope to see you on October 28th.

Regards,

Stephen R. Lindauer
