Dear Mr. Brozell:

I am writing this Letter of Appreciation to acknowledge the outstanding performance of your membership during the RRI Energy, Portland Spring 2010 Outage.

The caliber of professionalism of the Boiler Makers working on our referenced Project was possibly the best I have experienced. The overall sincere focus on Safety, Procedure Adherence, and apparent work ethic was noteworthy and contributed to the overall Project's positive results.

Please accept my sincere "Thank you" to you and your membership.

Regards,
Randy
