Attn: Jackie Borzell

Subject: United Corrstack  
Reading, Pa

Dear Jackie:

I wanted to take a moment to thank you and local 13 members for their performance at the above reference project. The comments from United Corrstack's upper management were that the Boilermakers were productive and did what they said they would do. There were no issues with the co-mingling of union and non-union workers and the job was completed safely. United Corrstack will have no issues with Local 13 working at their facility in the future. Being a member of Local 193 for 25 years this kind of performance makes me very proud. Congratulations on a job well done.

Very Truly Yours
