*****From the Desk of the Dispatcher*****

Please keep calls to the union hall to a minimum after 2:00 p.m. We start dispatching work at 2:00 p.m. and it is unfair to members waiting to be called for work to be delayed by tied up phone lines. Also, many times we have to fill jobs for that same night and are delayed due to many incoming calls. If you need to call the hall for matters other than dispatch please call before 2:00 p.m. Also, remember to call in your layoff on the day you are laid off. Although it is the duty of the job steward to call in layoffs, it is ultimately the member's responsibility to contact the union hall. The best way to inform the union hall of your layoff is to call the union hall after 4:30 p.m. and leave a message on the recorder that you were laid off. Leave the date you were laid off and the name of the job you were laid off from.
