*****New DCR Requirements*****

Effective October 16, 2017, annual Process Safety Management (PSM) training is mandatory for all contract workers at Delaware City Refinery (DCR). PSM training can be obtained either through Delaware Valley Safety Council or through a Built-Rite PSM course. Currently, PSM is not part of MOST 10-hour training and is not accepted by DCR. We are in the process of certifying instructors to administer Built-Rite PSM training through the hall but, in the meantime, we are working with other trades to assist us in administering PSM training for our members. The first two PSM training sessions will be held starting next month. Date, time, and location are as follows:

PSM Certification Training Session #1

DATE/TIME: December 9, 2017, 8:00 AM

LOCATION: Plumbers Local 690, 2791 Southampton Road, Philadelphia, PA 19154

PSM Certification Training Session #2

DATE/TIME: January 13, 2018, 8:00 AM

LOCATION: Plumbers Local 690, 2791 Southampton Road, Philadelphia, PA 19154

Thank you for your cooperation throughout this transition. It is very important that we obtain all necessary training to continue servicing our contractors at DCR. **If you would like to attend either training session or have any questions, please contact the hall.**

*****Monthly dues**** Monthly dues will increase to \$49.20 per month effective January 1, 2018.** Remember to put your registration number on your check. Due to security concerns please do not put your social security number on your check, only your registration number. Local #13 will no longer be able to cover members who allow their dues to go into arrears!!! A \$500.00 reinstatement fee will be imposed. It is your obligation to the union to pay your dues on time.

*****Pay Monthly Dues Online***** Members also now have the option of paying monthly membership dues online. Visit the local's website at www.boilermakers13.org, select "Member Resources" then "Online Dues". A convenience fee is added to each transaction. If you have any issues with the portal, please notify the hall immediately.

All Delaware members are encouraged to visit the Delaware Building Trades website at debldgtrades.com/action-center/ to sign up for email alerts through the Action Center.

*****Email Addresses needed***** as we transition more to electronic communication, it is important that we have an accurate email address on file for each member. Please note, member email addresses are used for internal lodge communications only and will not be shared with any outside party.

*****TWIC Enrollment Requirements*** Effective July 1, 2015 the Transportation Security Administration (TSA) adopted new enrollment requirements for U.S. born TWIC applicants.** TSA is making this change to align TWIC proof-of-citizenship requirements with those of other TSA Programs. *****Notices from the Training Coordinator*****

Online Training – Effective January 1, 2017, all Boilermakers except new apprentices are required to utilize the MOST online training programs for the OSHA 5, 10 and 30-hour courses. Any member who requires training will need to submit a request through the hall, which will then be forwarded to MOST. At this time, MOST is not accepting individual, direct training requests. A valid email address will be required for all training requests.

Local #13 weld shop is now open every Tuesday night until 8:00 p.m. for Local #13 journeyman and apprentices.

Remember to check the website for any additional Training dates

From the Desk of the Dispatcher

Please keep calls to the union hall to a minimum after 2:00 p.m. We start dispatching work at 2:00 p.m. and it is unfair to members waiting to be called for work to be delayed by tied up phone lines. Also, many times we have to fill jobs for that same night and are delayed due to many incoming calls. If you need to call the hall for matters other than dispatch please call before 2:00 p.m. Also, remember to call in your layoff on the day you are laid off. Although it is the duty of the job steward to call in layoffs, it is ultimately the member's responsibility to contact the union hall. The best way to inform the union hall of your layoff is to call the union hall after 4:30 p.m. and leave a message on the recorder that you were laid off. Leave the date you were laid off and the name of the job you were laid off from.

*******SPECIAL NOTE******* any sick member requesting that their name and address be included on the sick list will need to sign an Authorization Form. Please contact the union hall if you would like an authorization form mailed to you. **Note:** These members are not all collecting Sick & Distressed benefits. They are listed so you may keep in touch and let them know you are thinking of them. If you are collecting Sick & Distress benefits and are ready to go back to work, please notify the union hall. Failing to do so in a timely manner could jeopardize your last benefit check.
